

This form is an important legal document. It explains the liability you are assuming by starting a wellness programme. It is critical that you read and understand it completely. After you have done so, please print your name, email address, and date in the spaces below.

Disclaimer

The nutrition advice given by Christina Martin DHNP, AIT is based on the information provided by the client/individual. The nutrition information given is meant only for the client /individual completing the forms/case history. It is the sole responsibility of the client/individual to provide complete and accurate information. Any misinformation or omitted information may affect the nutritional/assessment/advice. Any misrepresented information is solely the client's/individual's responsibility. Christina Martin DHNP, AIT provides nutrition consulting and recommendations only and is not licensed to diagnose a medical condition or illness. The client/individual must consult a physician for any medical advice.

I have volunteered to participate in a wellness programme and possible follow-ups under the direction of Christina Martin DHNP, AIT, which will include, but may not be limited to nutritional planning. In consideration of Christina Martin DHNP, AIT agreement to assist me, I do here and forever release and discharge and hereby hold harmless Christina Martin DHNP, AIT from any and all claims, demands, damages, rights of action or causes of action, present or future, arising out of or connected with my participation in any nutrition programme.

Assumption of Risk

I recognise that specific foods may create allergic and possible fatal reactions, most specifically products containing nuts. I have therefore specified any food allergies/sensitivities I am aware of on the "diet profile" case history/form. I am aware that specific foods may interact with certain medications. I have discussed the side effects of all of my medications with my doctor or pharmacist. I also understand the wellness information I receive will not take my medications into consideration unless I choose to list my medications on the "diet profile" form or during the case history. If I am pregnant or lactating, have high cholesterol, high blood pressure, high blood sugar, diabetes, renal disease, gastric by-pass surgery or any other medical condition that requires special dietary restrictions, I must receive permission/or discuss it with my physician before participating in the wellness programme, or may be advised to seek help from another health professional. I acknowledge and agree that no warranties or representations have been made to me regarding the results I will achieve from this wellness programme. I understand that results are individual and may vary.

Follow- up consultations and support

Support will be offered only for the current health issue to which the client has come to see Christina Martin DHNP, AIT about, and will be supported for a period of four weeks via a 5 minute telephone call or via email, any changes in health thereafter will not be supported within this four week window until the follow up. Four weekly clinic/Skype (Skype sessions must be prepaid) sessions will be recommended to the client to cover any changes in health or to allow adjustments to be made to their programme when necessary.
